RE: Park Improvements as of December 2011

Dear Board Members:

The Park and Recreation Department is winding down 2011 with planning and goal setting for 2012. We have accomplished much in 2011 and look forward to continuing to enrich the lives of all who visit our parks and facilities in 2012.

PARKS

Signage

The contract has been executed with CSI Signs for the Park signs. They have begun the work on the entrance signs and we are on track to meet the completion date of December 31st.

Design for interpretative is being completed by Barth Hendrickson with Browning Day. We have received a \$10,000 grant from Hamilton County Visitors Bureau to go toward manufacturing and installation of the Underground Railroad piece.

OTHER ITEMS

Trail Overlay

The Trail Overlay Zoning Ordinance will go to the APC on January 3rd for a public hearing.

Grand Junction

We hosted an informational meeting with the property owners affected by the plans for the Grand Junction on Wednesday, December 7th.
